

Every Tuesday (18 June - 10 September 2019)

Yearning for a very special experience? First you craft your very personal name badge made of wood and colorful pearls. Then we start a leisurely hiking tour ideal for young and old. Listen to interesting stories and mystic Ötztal legends. Of course, we will also watch some of the little forest animals at nightfall - by using our magnifiers. A truly entertaining and varied evening walk for passionate nature explorers of all ages. Later we light our lanterns and enjoy a romantic walking tour back to the village, full of new impressions. Don't miss this unique evening that will create memories staying with you forever...
